IF ARRIVING FROM A10 PARIS/BLOIS...

Take Exit17 from the Autoroute and follow the yellow signs for Limoges (if they disappear follow Châteauroux). This road takes you round Blois on its east side and south over the Loire. Keep travelling due south through Cormery and Contres to St.Aignan. Cross the Cher and go round the town following the signs that say 'Autres Directions'. You will exit the town on the south side. Continue on this road, again due south, until you reach Nouans-les-Fontaines.

Take the right at the crossroads in Nouans-les-Fontaines towards Villeloin-Coulangé and Montrésor. After about 3.5 kms you will notice a few houses and an indication 'Coulangé'; it's very tiny, slow down! There is a disaffected church half hidden by trees on the right hand side and - to the left facing it – a very small road windy road without a signpost. Take this road and the entrance to La Grange des Près is indicated on the left about 150 metres from the turn.

IF ARRIVING FROM TOURS...

From both the airport and St.Pierre des Corps train station take the A10 towards Saumur, Tours Sud etc. After 14 kms it joins the A85 where you take a péage ticket. After 22/23 kms you exit the motorway and take the D31 and then the D764 into Montrésor. Turn left on reaching Montrésor and continue on the D760 to Villeloin Coulangé. Continue for another 1.5 kms and you will see a sign indicating Coulangé. There are a few houses with a disaffected church surrounded by trees on your left and a tiny road – half hidden – opposite on your right-hand side. Take this road and you will see La Grange des Près indicated after 150 metres on your left. You have reached your destination.

IF ARRIVING BY THE A35...

Take the exit for Noyers-sur-Cher and St.Aignan and continue on towards St. Aignan. At the roundabout take a right over the bridge into St. Aignan and then follow the directions above if arriving from Paris/Blois.
